1. Class/Seminar Teacher Evaluation

This survey requests your feedback on two separate aspects of your learning experience, split into three sections. The first section asks for your views on your teacher's class/seminar teaching. The second section asks for your views on the course as a whole at this point in time. Finally, the third section asks for some information about you, to aid analysis.

We recognise that this term has been particularly challenging for everyone due to the wider public health situation, with disruption experienced by both students and teaching staff. The School is continually striving to deliver the best possible educational experience despite these challenges and your views about your learning experience at LSE are a valuable source of information about this. The results will be used to help improve the teaching and learning experience for you and your peers and to identify good practice.

The School assumes that your response is broadly positive if you 'mostly agree' or 'definitely agree' with a statement.

1.1) Do the answers you supply below relate to the teacher from whom you have received the majority of your class/seminar teaching this term? The teacher's name, course title and group number (where relevant) are provided in the invitation email you have received for the survey.
